Suggestions for businesses related to our natural or agricultural resources:

slaughterhouse

~~knitting~~ / wool processor

timbering → sawmill ← sawdust, kiln-drying / lumber sales

cigarette/cigar maker ← cedar shingles/shakes

insect farming (crickets for reptiles)

Animal manure can be processed to saleable waste - fertilizer pellets, compost

Waste from brewery + winery can be turned into food for fish or smaller animals. This requires research beyond my notes. I know it's been done can be sold for food
